

***Ms Kathy Wong, Executive Director, Playright Children's Play Association***

Kathy Wong is a registered social worker. She graduated from the Washington University at St. Louis with a Master of Social Work. She also obtained Certificate of Playwork Basics and is a Certified Playground Safety Inspector (USA). She is now a Board member of the International Play Association. Kathy Wong has been Executive Director of Playright Children's Play Association since 1996. In her work and writing, as well as her many contributions to media, seminars and international conferences, she strongly advocates children's right to play, affirming the importance of play for child development, closely-knit families and a well-rounded community.
