

8th International Abilympics

Vocational Skills Contest

V22. Photography - Outdoor

1. Task Assignment

The theme of this task is '8th International Abilympics'. Contestants are to shoot documentary or journalism photographs, out of which 5 photographs shall be selected, printed and submitted for evaluation.

2. Allocated Time

A. Photography: 6Hours

B. Selecting & Printing Photographs: 3 Hours (Specified location & time)

* Contestant shall have a total of 6 hours, within one day, to take photographs. The selection & printing of photographs shall take place after the photographs are taken in a specified location and at a specified time for 1 or 2 days, according to the total number of contestants.

3. Requirements

A. Contestants are free to take photographs within and outside the contest site.

B. Contestants who would like to bring their own tools to assist them when taking photographs, shall present the list of tools to the judges prior to the contest. (Resolution of digital cameras shall be 5 megapixel or higher)

C. Contestants shall not disturb contestants who are participating in other contests. (This means that no contestants or judges shall be disturbed during the contest by contestants who, for instance, directly use the Strobe Light indoors)

D. The theme must be clearly recognizable. (Photographs of the contest site, skills contest, contestants, visitors, all parties concerned with the contest, and other

events, etc.)

E. Contestants shall have full understanding of the contest time & location before the contest begins.

F. After the photographs are taken, contestants shall notify the judges and submit the memory cards of their camera used. The judges shall seal the memory cards and store safely according to the regulations.

G. Each contestant shall have their memory card returned to them at a specified time & location for selecting and printing photographs.

H. Contestants are not permitted to edit the photographs when printing, in anyway whatsoever including brightness adjustment and trimming.

(Programs (Photoshop, Printer software) pre-installed on the computer are only to be used for confirming, selecting and printing photographs.)

※ In case of using a memory card other than CF(Compact Flash), SD(Secure Digital), MS(Memory Stick), XD(Extreme Digital), contestants shall prepare a memory card reader for the transmission of photograph data and must notify the judges prior to the contest.

I. Contestants shall save the 5 printed photographs on the USB Memory provided and submit with the printed photographs.

J. Contestants shall notify the judges when the tasks are complete.
