8th International Abilympics Vocational Skills Contest

V24. Poster Design

1. Task Assignment

- Contestants shall be given one of the following UNESCO World Heritage properties of Korea on the day of the contest as the theme of this task:

① Royal Tombs of the Joseon Dynasty

② Ganghwa Dolmen Sites

- This task aims at producing a public poster to promote information on culture.

2. Allocated Time

6 Hours

3. Requirements

- Task materials such as photographs will be saved on contestants' computers prior to the contest, and lettering requirements will be provided in the task sheet.
- The poster shall be designed to fit the purpose in A3-portrait (297x420) according to the theme.
- Contestants are not permitted to bring reference books or any data storage devices such as memory devices, CD-Rom, or cell phones to the site.
- In case any problems occur during the contest, contestants shall follow the guidelines of judges.

※ If contestants need personal assistive device for the task, they shall report to the judge and receive approval for usage prior to the contest. Contestants must bring their assistive device, and install during the Orientation in the presence of judges.

No special considerations shall be given if any problems occur with the assistive device.
